Subject: Internship Offer at Newtab Technologies

Dear Raju,

We are delighted to offer you the opportunity to join **Newtab Technologies** as a **Junior Java Backend Developer Intern (Remote)**. Based on your interest, skill set, and potential, we are confident that you will be a great addition to our growing team of developers.

Internship Details:

- **Position:** Junior Java Backend Developer – Intern
- **Mode:** Remote
- **Duration:** 6 Months (January 15, 2025 – June 15, 2025)
- **Stipend:** ₹5,000 per month
- **Working Days:** Monday to Friday
- **Reporting Time:** 10:00 AM – 6:00 PM (IST)

Key responsibilities included:

- Develop RESTful APIs using Java and Spring Boot
- Work with databases (MySQL/PostgreSQL) for data storage and retrieval
- Collaborate with frontend and backend teams for integration
- Debug, test, and maintain backend code
- Document backend logic and API usage
- Continuously learn and apply modern backend practices

Terms and Conditions:

1. The internship is educational and designed to provide you with practical work experience.
2. You must maintain confidentiality of all project-related and company-specific data.
3. During the internship, you will be expected to follow professional conduct and adhere to company values.
4. Either party may discontinue the internship with a 7-day prior notice.
5. The internship does not constitute an offer of full-time employment, but exceptional performers may be considered for future roles.

To confirm your acceptance of this internship offer, kindly reply to this letter or send a signed acceptance email to info@newtabtechnologies.com by January 14, 2025.

We believe your internship with us will be an enriching learning experience and a strong stepping stone in your software development career. We are excited to have you join the team and look forward to working with you!

Issued on: Jan 10, 2025

Warm regards,

Venkat Sai Kolli
Founder and UI/UX Designer, Newtab Technologies.
